Sen. Dianne Feinstein Presents CEO Bill Witte with Lifetime Achievement Award

Related California founder and CEO Bill Witte was honored with the Lifetime Achievement Award from the San Francisco Housing Action Coalition. The award was publicly presented by Senator Dianne Feinstein, who previously served as Mayor of San Francisco when Bill was Director of Housing and Economic Development.

New Affordable Homes Break Ground in the Sunnydale Hope SF Master Plan

Related joined Mercy Housing and Mayor London Breed for the groundbreaking of Sunnydale Hope SF Block 6 — a six-story building that will provide 167 permanently affordable homes for low-income families. This project is just a piece of a large-scale community-driven effort to transform one of San Francisco's most historically neglected neighborhoods. When completed, Sunnydale Hope SF will provide affordable homes for up to 1,700 low- and middle-income families. Residents currently living in the community will get the first chance to move into the new state-of-the-art housing.

Related Rehabilitates and Re-Opens Public Housing Developments in Hunters Point

Hunters Point East-West and Westbrook Apartments, two former public housing developments that were originally built in the 1950s, were in dire need of renovations, with many crucial life safety systems in a state of disrepair. Together with The John Stewart Company and the San Francisco Housing Development Corporation, Related California completed a \$127 million rehabilitation, providing the more than 430 very low-income San Francisco families currently living in these communities with high-quality, modernized homes, including free high-speed internet.
